# HERD BULLS

In the development of our herd, we have used in succession sires by three of the greatest Shorthorn bulls of this time. In 1938, we introduced the blood of Browndale Pilot, by the use of his son, Browndale Roan Chief. We purchased our present senior sire, Helfred Goldenrod, a great red son of Fascinator, in 1940. In 1943, we secured as junior sire, Helfred Twilight, a sensational red son of the 1940 International Grand Champion, Sunray. His first crop of calves justifies the belief that in him we have one of the great sires of this time.

The majority of the cattle offered were bred on our farms, a number of them representing several generations of our own breeding.

The use of two Helfred bred bulls in succession beginning with 1940 makes a large part of the offering a practical outcross to the herds of most Ohio and Indiana cattlemen.

We invite you to our sale, in the belief that you will find it profitable to attend.

**HELFRED GOLDENROD 1988961**

In his two year old form.

This massive red son of Fascinator out of a great red daughter of Collynie Clipper Star is a consistent sire of good sons and daughters that in their turn carry the improving qualities of his great ancestry. His daughters are outstanding milkers. We are to a large extent entrusting the future of our herd to them.

Extremely short legged, with width before and behind, he is a perfect roan, red legs, and neck, the rest an even frosting over dark red, without a splotch or spot. He is a heifer's first calf, raised without a nurse cow. A great herd bull prospect.

# Bulls Dominant in the Bloodlines of Raphoe Shorthorns

SUNRAY 1946437

International Grand Champion, 1940

Had a tremendous width and depth of natural smooth flesh. His untimely death cut short a career as one of the great breeding bulls of all time. Our junior herd bull, Helfred Twilight, son of Sunray, possesses and transmits the remarkable beef quality of his sire.

BROWNDALE PILOT 1653006

He made Shorthorn history during his long breeding life in the herd of T. Dorsey Jones, Shelbyville, Indiana. Many females in our herd have descended from him through our former herd sire, his son, Browndale Roan Chief 1920765, out of a great red jilt cow sired by Cruggleton Bugler (Imp.)

FASCINATOR 1766812

Greatest breeding son of Browndale Goldspur. Was grand champion bull at the Iowa State Fair in 1934, the only time shown. His dam was sold at fifteen years of age for the record price of the year. His granddam was the best daughter of Imp. Villager.

Sire of Helfred Goldenrod, our senior herd bull, that has shown outstanding ability to sire calves of general high quality.

BRAELOGDE HEADLIGHT 1874600

This great son of Braelodge Footprint «219078» climaxed his brilliant show career by heading the senior yearling class at the Golden Gate World's Fair. He is now recognized as one of the most consistent sires of both bulls and females in the country.

Helfred Twilight has his great head, color, and general high quality which he inherits from his dam, a daughter of Braelodge Headlight.
